Mix-n-Match Program

Signature Friesians Stallion Station is excited to be able to offer in 2012 our new Mix-n-Match program with \$900.00 stud fees! When you purchase 2 fully paid breedings to any stallion or any combination of stallions standing at Signature Friesians Stallion Station all future stud fees, to any of the stallions standing at Signature Friesians Stallion Station, in that same breeding year will be \$900.00.

Terms and Conditions for Mix-n-Match Program are as follows:

1. Client must purchase two breedings at regular price. The breedings can be from any stallion or combination of stallions standing at Signature Friesians Stallion Station and must be purchased in the same calendar year.
2. If more than one stallion is used in this program and the stud fees are different prices, Client must pay at regular price the two highest stud fees before they qualify for the program on any other stallions. For example...
 - a. Stallion "A"s stud fee is \$1500.00
Stallion "B"s stud fee is \$1300.00
Stallion "C"s stud fee is \$1250.00
 - i. If want to breed to stallions A and B and would like to get a third breeding to any stallion for the discounted price you must initially pay a stud fee of \$1500.00 (for A) and \$1300.00 (for B), then every breeding after that would be \$900.00 to any stallion (A,B or C).
 - ii. If you only want to breed to stallion C then you would pay \$1250.00 twice and every breeding after that would be \$900.00 to only stallion C.
 - iii. If you want to breed 3 mares, once to stallion A, B and C you would pay a stud fee of \$1500.00 (for A), \$1300.00 (for B) and then only \$900.00 (for C).
 - iv. If you want to breed to stallion A twice and stallion C once, you would pay \$1500.00 (for A), \$1250.00 (for C) and \$900.00 (for 2nd breeding to A).
3. All stud fees (breedings) must fall and be paid in the same calendar year.
4. Horses must be owned by the same Client in order to qualify.
5. All paid breedings come with a LFG as stated in breeding contracts.
6. All breedings must have a signed and executed breeding contract.
